

# Year 3 Parents/Carers

## We need your help!!

Unfortunately, this year we have been unable to meet with Parents/Carers to discuss various matters as we normally would.

We want to hear from you...

Do you have questions about your child's class or the school?

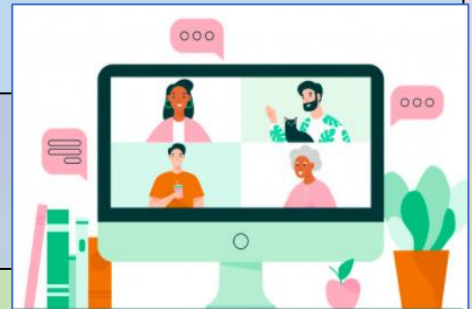

Do you have issues that you would like resolving?

Ideas on how we could make things better?

Family issues or queries that you would like advice on?

We are here to listen and help

Your opinions matter to us!

Would you be interested in meeting to discuss the above things and more...

This may be done virtually or in person (if government guidelines allow us to).

We can meet in groups or 1 to 1 if you prefer.

If you are interested in getting more information on this, please complete the online survey by clicking the link below.
